Congratulations Leadership Anson Class of 2012!

The Leadership Anson (LA) program enjoyed its 16th graduation ceremony on June 12th at Welika Lake Fish House. Leadership Anson was created to develop a commitment to community through leadership. A number of family, friends, and sponsors of the program attended this special event. After this graduating class, there has now been a total of 254 participants that have completed the program.

The speaker for the evening was Todd Moore of Pee Dee Electric and also a Leadership Anson graduate in 2003. He centered his comments on Leadership and how the choices we make can change our lives in an instant. He explained how at any given moment we can be faced with a tough decision that can do one of two things, "make you bitter or make you better". He encouraged the class to always make their choices with that statement in mind. Mr. Moore went on to say that he is very thankful and blessed for all that he has accomplished with the support of his loving wife Vanessa, as well as his family and friends.

Front Row (l-r): Thomasina Montgomery, Open Doors Center for Children; Lily McCray-Hailey, SunTrust Bank; Jessica Anderson, NC Cooperative Extension; Emily Jarrell, SPCC; Ashley Rivers, Hornwood, Inc.; Jennifer Tarlton, Sam K. Turner Jr., CPA; Cynthia Furr, Anson Community Hospital

Back Row (l-r): Larry Diggs, Anson County EMS; Richard Flowers, Anson County Sheriff's Department; Subrina Hough, Sandhills Community Action Program, Inc.; Jermaine Alston, SPCC; Tammy McCall, Anson County Sheriff's Department; Larry Huntley, Anson Community Hospital; Michelle Hamilton, Bayada Nurses; Kristy Ratliff, Anson Community Hospital

Testimonials were given from a couple of class members that touched everyone in attendance. Chamber Director Lynn Edwards stated that they have all learned so much more about their county, their community and themselves. The goal of this program is for the participants to take what they have learned and use it in a way that will not only better themselves but the community as well.

Mrs. Edwards recognized Dr. Fred Thompson of Anson Community Hospital for his outstanding support of the Leadership Anson Program. Edwards mentioned that throughout the years there have been 40 to 45 Leadership Anson graduates that were hospital employees. Because of Dr. Thompson's leadership,

many of those employees have taken the initiative to better themselves and their community, both personally and professionally.

Each Class member earned a Continuing Education certificate from South Piedmont Community College and received a Leadership Plaque from the Anson County Chamber of Commerce. These were presented to the graduates by Lynn Edwards, Chamber Director and Scott Collier, SPCC. Jilla Gathings, LA Oversight Committee Chair, (class of 2006) assisted throughout the year and with the organization of the graduation ceremony for the evening.
